If you have any comments, email them to me and I will forward them onto the contractor. If not, I will approve the report and have the contractor forward the final report to day-forward to be processed and uploaded into sdms.

Lance, here is the electronic version. I scanned through the report. I have other site commitments, so I didn't do a thorough review. Please let me know if the report meets your expectation and I will forward my approval to the contractor. Thanks!

Ken,

Attached is an electronic copy of the Wilcox Oil Site Title Report. A hardcopy is being prepared and will be delivered to you this afternoon as well.

Thank you for the opportunity to work on this project. Specifically, I would like to direct you to Appendix A which has hyperlinks that we hope you will find useful. We also have the reference documents available electronically, if you wish to have them placed on CD or sent to you.

Please let me know if you have any questions.

Best regards,

Kim Shultz
